Website – www.epstraining.co.uk

Emergency Planning Solutions is a training provider based in Flintshire, North Wales offering a wide range of Fire Safety and Health & Safety training courses in order to ensure that your employees are conversant with Fire and safety procedures in the work environment. The company is owned by David Ashford (ex Fire Officer) who has over thirty years experience in Fire Safety.

Fire Warden Course

Fire Wardens play an important role in a company Fire management Emergency plan in addition to actively assisting with daily Fire prevention checks and precautions. This course is designed to give personnel who are designated Fire Wardens within an organisation, a clear understanding of the duties of a Fire Warden and to effectively fill the role.

Course contents:

- Fire Facts
- Principles of combustion
- Relevant Legislation.
- Fire Safety video
- The dangers of smoke
- Role of the Fire Warden.
- Fire prevention within your organization.
- Theory of firefighting equipment.
- Means of escape, evacuation
- Fire alarms.
- Fire Detectors
- Practical use of Fire Extinguishers.

Each Training Course includes:

- Delegate Training notes
- Certificate of Attendance.
- Course evaluation form.
- Training Record form
- Practical Extinguisher Training

Duration – three hours
